Experience: Started playing when I was 4 or 5. Played all the way to high-school where I played on the varsity team as right mid. Throughout my years of playing I was on multiple rec and travel teams. Stopped playing in college because I joined Army ROTC and between that and classes I just didn't have the time. I am new to the island and would love to get back into the sport I have always been so passionate about.

Other info: I am in the army, stationed on schedule barracks. I don't know what the schedules are like but I am fairly busy during the week up until 5:00 pm, when I get off. On Thursdays I get off about 3 and I have weekends off.

My preference is midfield or forward, but generally I will play where I am needed or where I can fit in. Having moved from cold weather I am eager to start playing, but I do not have a team or know where to play. If you could please connect me with a few teams or managers I would greatly appreciate it. Also I just finished my season in Chicago, and am ready to play ASAP. I attached a photo. Hope you get a kick out of it.
